Name: Chemical Tech Coverall	Code: 30248	Chemical Protection
-------------------------------------	--------------------	----------------------------

Description

Coverall in SMS and polyethylene multilayer material, 90 g/m², it features a concealed zipper closure with double adhesive flap and elastic hood, cuffs and ankles; collar area with an additional adhesive band, reinforced material on the knees. The coverall offers a good resistance thanks to the multilayer material and an excellent chemical and bacteriological protection guaranteed by taped seams.

- Wide range.
- Enhanced protection against chemical agents, even in high concentrations.
- Remarkable mechanical resistance.
- Recommended for protection against multiple chemical agents.

The product is designed and manufactured according to the Directive 89/686/EEC.
It is classified as PPE Cat.III.
