Name: Rovaniemi Coverall	Code: 34840	High Visibility Weather Resistant
---------------------------------	--------------------	--

Description

High visibility coverall with outer layer in breathable and waterproof Clipper-TEX, top part in orange and waistband and bottom part of sleeves and legs in blue. The padding in synthetic wool and heat sealed seams make it suitable for all work situations that require full protection from extreme cold and bad weather. Concealed zipper closure with snap buttons, high collar with inner part in fleece and rollaway hood with drawstring. Elastic knit cuffs, waistband with drawstring, front pockets with zipper closure covered with water resistant flap, chest badge holder pocket with flap, cargo pocket on right leg; opening on the ankles with zip covered with flap and snap buttons. Double reflective band on chest, sleeves and legs.

- The Rovaniemi Coverall is the answer given by the Sir Weather Resistant range to the most extreme conditions.

The product is designed and manufactured to comply with the essential health and safety requirements of Directive 89/686/EEC, and to conform to the requirements of European standards EN 20471 for high visibility clothing and EN 343 for protection against bad weather. It is classified as PPE Cat. II.
