|------------------------------------|--------------------|-------------------------|
| Name: Carboflame Underpants | Code: 35286 | Heavy Carboflame |
|------------------------------------|--------------------|-------------------------|

Description

Flame retardant and antistatic underpants in functional fabric: 53% modacrylic, 43% cotton and 4% conductive fibre, 160 g/m².

The product is designed and manufactured according to the Directive 89/686/EEC.

It is classified as PPE Cat.II.

This undershirt can be worn under electric arc protective clothing, as it responds in A.2 of IEC 61482-2, requiring that electric arc protective clothing arc can not be used with underclothings that can melt with the arc, for example polyamide, polyester and acrylic fibers.
