Name: First Base Impact Resistant Cap	Code: 38211	Impact Resistant Range
--	--------------------	-------------------------------

Description

Designed for use in situations that do not present serious impact risks. Design inspired by baseball caps, in 100% cotton. Light internal protective shell in ABS, washable. An additional polyurethane foam layer functions as spacer and increases user's comfort.

The product is designed and manufactured to comply with the essential health and safety requirements of Directive 89/686/EEC, and to conform to the requirements of EN 812. It is classified as PPE Cat. II.

Category II	Colours Red	Available Sizes Unica
Quantity/Carton 48	Important Information Make sure the cap is in good condition before use. Once you become aware of a damage, you should immediately replace it.	Recommended for Situations that do not present serious impact risks.
