Name: First Base Lux	Code: 38226	Impact Resistant Range
-----------------------------	--------------------	-------------------------------

Description

Impact-resistant cap in 100% cotton featuring a light inner washable protective shell in ABS. Further protection is ensured by an additional polyurethane foam spacer. Version with 4 LEDs that are placed inside the visor. Each LED emits a light up to 9 m and is powered by a 3 volt lithium battery, positioned inside the cap. It guarantees 25 hour autonomy.

The product is designed and manufactured to comply with the essential health and safety requirements of Directive 89/686/EEC, and to conform to the requirements of EN 812.
It is classified as PPE Cat. II.

Category II	Colours Black	Available Sizes Unica
Quantity/Carton 1000	Important Information Make sure the cap is in good condition before use. Once you become aware of a damage, you should immediately replace it.	Recommended for Situations that do not present serious impact risks.
